Dear Austen,

Thank you for the excellent customer service you provided in producing the attendee rosters for my client's conference at the Flamingo last month. I greatly appreciated the extra effort you made to match the conference colors, and to ensure that the roster assembly was correct.

I was not in Las Vegas for the event, and after the conference was over, before I could even ask how things went, my on-site client told me how great you were to work with and how you quickly produced additional rosters at their last-minute request.

So, thank you for making me look good. I would highly recommend you to anyone!

Best regards,

Letter of Recommendation for Franklin Document Services

I am an Associate Marketing Project Manager for Cygnus Expositions, a business-to-business trade show and conference producer. We are based in Minnesota, but similar to many trade show companies, have several events held in Las Vegas. I recently worked with Austen Gardner with Franklin Document Services for two of our events (Surface Fabrication & Design Expo and Aviation Industry Expo) in March 2006. He worked to have our program addendums, floor plans, speaker handouts and other last minute printing projects completed in a timely manner. Their services not only saved me and my team members a great amount of time, they also saved us a lot of money compared to other printing services in the area.

Franklin Document Services was true to their promise of being available 24-hours-a-day and worked to complete and deliver our projects as quickly as possible. I had several items that came up last minute, as things do onsite, and they accommodated us in every way possible. Everyone I dealt with at Franklin was friendly and helpful.

My experience with Franklin Document Services and Austen Gardner was pleasant, time efficient and cost effective. I will definitely use their services in the future. If you have any additional questions please feel free to contact me at 800.827.8009.

Sincerely,

To Whom It May Concern:

Franklin Document Services recently provided our company with premium service at minimal cost. Austen made sure the documents would print correctly and at a high quality and was able to turn around extra copies in no time when the need came up. I would highly recommend using Franklin Document Services and will do so again in the future.
